

Keep On Rockin' In The Free World

Key: Em

Intro Em – D – C

Verse

Em – D – C

*There's colors on the street... white, and blue
People shuffling their feet... sleeping in their shoes
There's a warning sign on the road ahead
There's a lot of people saying we'd be better off dead
Don't feel like Satan, but I am to them
So I try to forget it any way I can*

G – D – C – (Em)

Keep on rockin' in the free world (4x)

Verse

Em – D – C

*I see a woman in the night... With a baby in her hand
There's an old street light... Near a garbage can
Now she put the kid away and she's gone to get a hit
She hates her life and what she's done to it
There's one more kid that'll never go to school
Never get to fall in love, never get to be cool*

Keep on rockin' in the free world (4x)

Verse

*We got a thousand points of light... homeless man
We got a kinder, gentler machine gun hand
We've got department stores and toilet paper
Got styrofoam boxes for the ozone layer
Got a man of the people says keep hope alive
Got fuel to burn, got roads to drive*

Keep on rockin' in the free world (4x)
